

CAPENHURST CE PRIMARY SCHOOL

NEWSLETTER

1st March 2021

This week will be our last week of remote learning as we welcome back all the children in to school next Monday 8th March. The staff are looking forward to bringing their classes back together and the children, who have been in school, are looking forward to seeing their class mates again. A letter was sent to all families last week with reminders about the routines that are in place - please make sure that you have read it thoroughly before returning to school next week.

Good news - Evie is home and making small steps in her recovery from PIMS. It has been lovely to hear about her recovery. Class 3 sent her a book of 'get well wishes' which made her smile and brightened her day.

As usual, if you have any questions about arrangements in place at school, please ring or email contact@capenhurstcep.cheshire.sch.uk

Take care and stay safe, Mrs Green

Celebrations!

We held individual celebrations during our class zooms on Thursday. We awarded a 'Star of the Week' from each class and also counted up the house points.

Stars of the Week:

Class 1 - Jaxon F for increased confidence as a reader.

Class 2 - Verity C for her wonderful piece of descriptive writing about the weather with great adjectives and good use of capital letters and full stops.

Class 3 - Francesca S for always trying her best in everything she does and for some super geography knowledge this week about Pangea and tectonic plates.

Class 4 - Lexi E for working so hard and producing work of a consistently high standard at home. .

The winning house this week was Earth! Congratulations to everyone in Earth for their teamwork in earning the most house points during the past week.

Learning at school

This week will be the last week of remote learning during the current lockdown. From 8th March, remote learning will be available for those pupils unable to attend school (see remote learning plan online - www.capenhurstcep.cheshire.sch.uk). Google classrooms will continue to be used for homework. Homework will re-start w/c 15th March.

The focus in school next week will be on getting back into the routines of school and being together as a school community - socially distanced, of course!

Testing for Covid-19 - please read carefully and thoroughly

It is important that if your child becomes unwell with any of the COVID-19 symptoms listed below that you get tested. Testing sites are available across Cheshire and Merseyside, with appointments for tests released daily throughout the day and a new centre has opened locally in Ellesmere Port.

At this time of such high demand it is crucial that **only** people who have **COVID-19 symptoms** book a test. These include:

- a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

There is no need for members of a pupil's household to have a test, unless they are also symptomatic but **ALL** members of the household do need to isolate until the test results are back.

If your child tests positive they should self-isolate and stay off school for 10 days, the rest of the household need to isolate for at least 10 days. If the test comes back negative they can return to school if they no longer have symptoms and have been fever free for 48hrs.

To book a test please visit: www.nhs.uk or by calling: 119.

Emergency Foodbank Voucher

We have recently been accepted by West Cheshire Food Bank to issue emergency food vouchers for families in crisis. If you feel that you could benefit from an emergency food parcel due to finding yourself in crisis as a result of covid-related job losses, or indeed any change of circumstances, please complete the form in ParentMail. This is separate from the free school meals vouchers that were issued to eligible children during lockdown. This is open to any family who may find themselves in crisis for whatever reason, and is not limited to our free school meal children.

The form will remain available for the whole of the academic year. Please only complete the form if you need help. (You do not need to let us know that you do not require help.) The details you provide will be treated in confidence and will only be accessed by Mrs Green or Mrs Auld who will contact you to arrange the issuing of the voucher.

West Cheshire Foodbank

We welcome your on-going support of the West Cheshire Foodbank each week. Food items are to be brought in and will be gathered in each classroom before being placed in the collection box by a member of staff. This week the Foodbank is particularly in need of **UHT long life milk, long life fruit juice, tinned tomatoes, tinned potatoes, instant mash and cup-a-soup**. Thank you in advance for your continued support.

Friends of Capenhurst

Bonus Ball

Mrs Osborne will send out letters requesting subs when school re-opens for all children. In the meantime, Bonus Ball is temporarily suspended.

Facebook Page

Just a reminder, and for our new families, that Friends of Capenhurst has a Facebook page, '**Friends of Capenhurst School (PTA)**'. This is a closed group for **current parents/carers only**; please request to join the group if you have not already done so and you will be added. The group provides fundraising updates and general school reminders.
