

# Aim, Achieve, Succeed

CAPENHURST CE PRIMARY SCHOOL

## NEWSLETTER

24th March 2014

Another busy week has flown by! Only 2 weeks remaining until we break for Easter on Friday 4th April. School re-opens for staff and pupils on Tuesday 22nd April following Easter Monday bank holiday.

Mrs Green

### Sharing assembly

This will take place as usual on Friday in the Village Hall. The assembly will start at 2.40pm.

### Celebrations!

Pupils of the week:

Class 1: Zac Forrester for trying really hard with his work

Class 2: Charlotte Irlam for great effort with her literacy homework and trying hard in literacy lessons

Class 3: Libby Gunn for making great progress with her writing and for sharing with the class

Class 4: Kieran Eusebio for much better effort all round and particularly improved presentation

The Infant Cup was awarded to Orion Dobbie for a lovely attitude and behaviour. The Junior Cup was awarded to Drew McMillan for fabulous effort on a daily basis and great participation on sports Relief day. Well done to all the children who shared their successes in this week's sharing assembly and to those pupils who remained on green all week.

### Sport Relief

A huge 'THANK YOU' to everyone for all their enthusiasm on Friday during the Sport Relief mile, the 'Ice Off' and line dancing. It was a pleasure to see everyone enjoying the various activities and gaining a greater understanding of why they were raising money. Those of you who have managed to secure sponsorship for your participation are asked to collect it as soon as you can and bring it into school swiftly, preferably before the end of the week so that it can be sent off.

If anyone has any photographs that they are willing to share, please send them in by email.

Supporting a variety of fundraising initiatives for charities, the local community and school is an important part of our school ethos and your continuing commitment to this during these times of austerity is much appreciated. Each contribution, however small, can make a real difference.

So far the total raised is £455.43 - £33.65 from the line dancing and £421.78 from sponsorship - FANTASTIC

### Electronic communications

In this ever increasing technological world that we live in, more and more communications are being sent electronically. With the advent of facebook, twitter, snap chat and various other social media, instant communication has become readily accessible to everyone. As a school we look to embrace these new ways of communicating but always in a responsible manner. Whilst we may be considered to be behind the times in our use of social media in school, the responsible use of it is something that we teach the children in school. With this in mind, I would ask that all members of our community use social media in a responsible manner to protect themselves and their children. This will ensure that no-one is left feeling vulnerable or that their privacy has been invaded by a comment left by another person. Although comments can be removed, once it has been posted and read by others, the damage to a person's feelings or reputation has already been done. Thank you for your cooperation with this matter.

Outstanding monies

As we approach the end of the financial year, it would help the process enormously if all outstanding monies were paid before the end of this week. This includes dinner money, swimming fees, Menai fees and snack money. Cheques for dinner/snack money should be made payable to "CWAC" or Cheshire West & Chester. For all other outstanding fees, cheques should be made payable to "Capenhurst CE Primary School". Thank you for your cooperation in this matter and the swift settling of outstanding bills.

Reading books - a reminder

It has been noticed that not every child has their school reading book and reading record in school everyday. Whilst each child may not have the opportunity to read with an adult everyday in school, there are other opportunities through the school day when the children are expected to read their school reading book independently, especially in classes 3 and 4. In order to support school in developing the reading abilities of all children, it is necessary for each child to have their reading book and reading record in school each day. Your support with this is much appreciated.

Friends of Capenhurst - reminder of events

One final event before the end of term.

**Friday 4th April - Chocolate tombola**

This event will take place before and after sharing assembly on the Friday. Donations of chocolate for the stall can be brought in on **Friday 28th March** with the children being able to wear their own clothes if they wish in return for a donation to the stall.

If you are able to help out at any of the above events, please contact a member of Friends of Capenhurst or let school know in the usual ways.

Birthday Celebrations

The following children will celebrate a Birthday this week.

**Leah Jackson-Fowler**
