- First AGM. Quite an achievement bearing in mind that two Trustees were in Kenya, one in Cheshire, 3 in the DHL Milton Keynes office and one stuck in a traffic jam on the M1 who joined from a service station!
- The trip to Haller Park took place for the younger children while the primary school went carting. Over 250 children, teachers and helpers. An amazing day was had by all.

- Plot of land purchased for £12,000

## *July*

**The School Partnership Programme** at its very best. These children with severe disadvantages themselves decided that the children at Little Faces deserved their help. They raised £80 from a jumble sale and a cake sale.

## September

This lucky little girl called Angela is sponsored by a lady called Angela! She gets regular parcels from her sponsor. For Christmas, she has been given a bike (and a bike lock!!). She came to the school barefoot and living in extreme poverty. Just look at that smile.

### **Family Fun Day at DHL HQ in Bonn**

We had 14 children sponsored and the raffle raised 450 EUR – simply fantastic. 5 of the children are now supported by DHL Board Members.

Also, the new MD for the East Africa Cluster is supporting the school from our Nairobi office and involving the whole team there.

Little Faces School is now the International Charity Partner for DHL head office in Bonn.
