Many thanks,
Mrs Green

It was lovely to see so many parents and grandparents in school on Friday morning; I hope you all enjoyed your practical maths activities. The children look forward to sharing their learning with you and we hope that you find these sessions useful. There will be further sessions in the summer term - is there a particular focus that you would like to suggest for one of these sessions? Please complete and return the slip with your ideas.

Suggestions for 'Learning Together' sessions: (please complete and return)

Friends of Capenhurst

Friends of Capenhurst will be organising a chocolate tombola for everyone to enjoy on Thursday 2nd April. Contributions are requested from families and these can be brought into school on Friday 27th March which will be a non-uniform day for the children.

Friends of Capenhurst have also agreed to purchase a small egg for each child in school that will then be hidden by the School Council before all the children are invited to hunt for their own egg! The egg hunt will take place on Thursday 2nd April.

More fundraising ideas were shared at last week's meeting and these will be sent home separately. Thank you to everyone who continues to support the fundraising events.
