West Cheshire Foodbank

Food items can be brought in and will be gathered in each classroom before being placed in the collection box by a member of staff. This week the Foodbank is particularly in need of **tinned meats, tinned fish, UHT milk, UHT juice, tinned desserts, custard, instant coffee, jams and spreads, instant mash/ tinned potatoes, pasta sauce and biscuits.**

Thank you for your continued support.

Covid updates - there are a few!

Symptoms/positive cases:

Staff and pupils should not come in to school if they have symptoms. **ALL** those with symptoms will be asked to take a PCR test as per the current guidance.

Staff and pupils should not come in to school if they have a positive test result. They should remain at home for at least 5 days, then complete 2 LFD tests (day 5 and 6) and can return once two consecutive, negative test results have been achieved and shared with school.

If children develop symptoms in school, they will be sent home and you will be asked to book a PCR test. If you choose not to book a test, then it will be treated as a positive case and you will be asked to keep your child at home for at least 5 days.

In most cases, families will agree that a pupil with the key symptoms of COVID-19 should not attend the school, given the potential risk to others. If a parent or carer insists on a pupil attending school where they have a confirmed or suspected case of COVID-19, school can take the decision to refuse the pupil if, in reasonable judgement, it is necessary to protect other pupils and staff from possible infection with COVID-19.

Contacts of cases:

From 24th February, guidance for schools remains as before.

Household contacts no longer need to complete 7 day LFD testing but it would be advisable. If LFD tests are positive, isolate for at least 5 days then do LFD testing for 2 days (day 5 and 6) and return to school if both are negative. Please continue to share results of tests with school so that we can continue to monitor transmission within school.
