

CAPENHURST CE PRIMARY SCHOOL

NEWSLETTER

19th June 2020

It has been lovely to hear the noise of children learning and playing in the two child-care 'bubbles' that have been in place this week. I have been impressed with their maturity in terms of responding to the change of routine and set-up, especially our youngest children in the infant 'bubble'. Thank you to parents for the patience at drop-off and pick-up with the staggered timings. If your needs have changed in terms of your child attending school, please do not hesitate to contact school using contact@capenhurstcep.cheshire.sch.uk
Thank you, Mrs Green and Team Capenhurst

Celebrations!

Some of this week's activities - remember whilst school is closed, if you would like to keep in touch by sharing the things your children have been doing, why not tweet us a picture? Be sure to use our tag @CapenhurstCEPS so that we can see what they've been up to.

Sophia M has been typing letters on the computer.

Tim has produced a stunning piece of art based on work by Miro.

Ethan H has been planting bedding plants in his garden.

Millie S has been reading about birds and drew a beautiful picture of one.

Ava has produced a beautiful piece of art based on work by Kandinsky.

A creative week this week - what have you been up to? Don't forget to let us know.

Home learning and staying safe online

New letters and home learning packs will be sent home this week with suggestions as to different activities you can try at home with your children. You are encouraged to try some of the suggested activities at home with your child.

Please also remember that there are links to virtual learning and teaching activities such as DfE Phonics lessons, BBC Bite Size and The Oak Academy on the home learning page - <http://www.capenhurstcep.cheshire.sch.uk/page/home-learning/65486>.

Staff will continue to provide home learning packs as well as being in school to support the groups of key worker and vulnerable children. They will be enabling these children to access their home learning packs when in school as well as providing pastoral support and keeping the children safe whilst they play. If any family would like paper copies of work (where appropriate) please contact school.

Next week is **National Sports Week** - keep an eye on the school twitter page for the sporty challenges that will be set by different staff each day!

Don't forget to check out the 'Online Safety at Home' section within our home learning section.

We are only at the end of an email if you get stuck.

Take care of yourselves and each other.

The team at Capenhurst. #teamcapenhurst

Communication from school

This week the staff are very excited about next week's **'Zoom chats'** where they will get to see you all and have good natter about everything you have been up to as well as share their own news - they may even get time to read their class a story.

These chats are as described - chats - they are not lessons and there won't be any direct teaching taking place. It is an opportunity for children and staff to re-connect after a long time apart. This is important for both the children and the staff.

There are guidelines and protocols to be followed which have been sent home along with a letter which details the times of the chats and the links for the chats. Please make sure you have read these and shared them with your children so that the time they spend with their teachers and friends is enjoyable for everyone.

Friends of Capenhurst

Facebook Page

Many of you have been using our PTA Facebook page, **'Friends of Capenhurst School (PTA)'** to share home learning ideas which is great. Please do remember that this is a closed group for **current parents/carers only**.

Bonus Ball

The winning rollover bonus ball on Saturday 13th June was number 42 which is unclaimed meaning tomorrow's draw is a double rollover!

Birthday Celebrations!

The following children and staff celebrate a birthday this week (19th June to 25th June):

Oliver

Hayley

Class Photos

Class photos have arrived - if you placed an order with Academy before school closure in March, please email us to arrange collection.

Advice on the coronavirus for places of education

How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

You should wash hands with soap & water or hand sanitiser

After breaks & sport activities

Before cooking & eating

On arrival at any childcare or educational setting

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit **NHS.UK** to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Iran, specific lockdown areas in northern Italy, special care zones in South Korea or Hubei province China (returned in the past 14 days) should self isolate, and NOT attend education or work for 14 days. See **NHS.UK** for advice on coronavirus.

If there is an emergency, call 999 immediately
