

CAPENHURST CE PRIMARY SCHOOL

NEWSLETTER

20th June 2022

Congratulations to the children who played netball and football at last week's sports event at St Oswald's. Both teams demonstrated good team work and resilience and came away with excellent results. The netball team were unbeaten at the tournament and came first. The football won 2 out of 3 matches and came second to the only team who beat them. It was great to see the children playing together even in the searing heat. Many thanks to the families who came along to support and to the staff who trained the children ready for the afternoon. We're intending to hold the tournament again the autumn term.

Don't forget the parents information meeting on Thursday 23rd June at 3.15pm for children in class 2 about their forthcoming trip to Delamere.

Any questions, please email us at contact@capenhurstcep.cheshire.sch.uk

**Updated guidance about general childhood illnesses and on-going covid-19 infections.**

The list of symptoms for Covid-19, flu and common respiratory infections include:

- continuous cough
- high temperature, fever or chills
- loss of, or change in, your normal sense of taste or smell
- shortness of breath
- unexplained tiredness, lack of energy
- muscle aches or pains that are not due to exercise
- not wanting to eat or not feeling hungry
- headache that is unusual or longer lasting than usual
- sore throat, stuffy or runny nose
- diarrhoea, feeling sick or being sick

If your child has any of the above symptoms and are generally unwell, they should not attend school. If your child has a high temperature, fever or chills, they should remain at home until their temperature has returned to normal. Typically, a child with a mild runny nose or infrequent cough, who is generally well, can attend school. If their wellness changes during their time school, you may be called to collect them.

If your child does test positive for Covid-19, the advice is that they remain at home for 3 days. For further advice, please refer to <https://www.gov.uk/guidance/people-with-symptoms-of-a-respiratory-infection-including-covid-19>

Please find attached a sheet containing information about a range of common childhood illnesses which you may find useful. When calling to report a pupil absence, please be specific about the reason for their absence as this will help everyone to understand and offer appropriate guidance and advice. Comments such as 'a bit poorly', 'unwell' and similar are unhelpful and are to be avoided.

Selfless Shelves supporting the West Cheshire Foodbank

The children of class 4 think Capenhurst is a welcoming community that includes everyone irrespective of race, gender or religion. The 'Selfless Shelves' is a project where children can earn a token as a reward for a good deed in school. This token can then be exchanged for a food item from the 'Selfless Shelves' which can then be placed in the Foodbank. Everyone is encouraged to bring items for the shelves - the children see this as a 'Circle of Kindness'. The Foodbank will then use these items to support local families struggling to provide food for themselves.

We will continue to support the West Cheshire Foodbank in our traditional way and food items can be brought in and placed on the 'Selfless Shelves' or directly into the collection box. The Foodbank is particularly in need of **tinned tomatoes, UHT milk, UHT juice, cereal bars, tinned fruit/desserts, custard, instant coffee (small jars), jams and spreads, instant mash/tinned potatoes, sweet treats/crisps. instant pasta/noodles, small boxes tea bags, tinned meats/fish.**

**Friends of Capenhurst****Facebook Page**

Just a reminder that Friends of Capenhurst has a Facebook page, '**Friends of Capenhurst School (PTA)**'. This is a closed group for **current parents/carers only**; please request to join the group if you have not already done so and you will be added. The group provides fundraising updates and general school reminders.
