**Collective Worship Autumn B: Joy**

A daily act of collective worship is to be led each day in each class. There are options and links on the following pages for you to use with your classes over the coming half term. Use of reflective journals or thinking time can be used as an act of worship and there must be a moment of prayer – either spoken or silent to suit the theme, age of children and time of day. Children can be involved in leading worship. Songs can be listened to but not sung (yet!). Music can be used to enhance the stillness of reflection.
