

Have we really been back for two weeks? The children and staff have been very busy and there are still many things to enjoy before half term.  
If you have any questions or queries, please do not hesitate to contact school to discuss them.

Mrs Green

### Sharing assembly

There will be a sharing assembly this Friday at 2.45pm  
The winner of last week's 100 club draw was Mrs Guest - congratulations!

### Celebrations!

Pupils of the week:

Class 1: Ava Abbinante for improvements with her reading and writing and being a helpful member of the class

Class 2: Amberley Orriss for super effort with her maths and literacy

Class 3: Ewan McGinn for great independent work in maths

Class 4: Ashlee Jones for great maths work, especially decimals and great art work

The Infant Cup was awarded to Ben Hardwick for consistent sensible behaviour and a hard working attitude. The Junior Cup was awarded to Georgia O'Neill for always working really hard and trying her best. Well done to all the children who shared their successes in this week's sharing assembly and to those pupils who remained on green all week.

### E-safety evening

I hope those parents who were able to make it to the e-safety evening found it useful and informative. There is a short evaluation to complete which will provide useful information for school and PC Stanton about the success of the evening and any further issues that parents would like addressing. If you could return these as soon as possible it would be much appreciated. There is a set of information available for those parents who couldn't make the evening, if you would like this information please let Mrs Ritson know.

### Maths Calculations evening

On Tuesday 28th January there will be an information evening explaining how we teach mathematics at Capenhurst with a particular focus on the different ways calculations are taught. Each teacher will be at the evening and there will be an opportunity for you to hear from each teacher how the methods change as the children move from class to class developing their mathematical ability on the way. The evening will start at 6.30pm and last for approximately one hour.

Please complete the slip below indicating whether you are able to attend. Thank you in anticipation of your support.

### Maths Calculations Evening - Tuesday 28th January

I am able to attend the evening

## Football tournament

We will be taking a team of Y5/6 boys and girls to take part in a football tournament organised by Premier Sports who provide our sports teaching in school. The tournament will take place on Friday 24th and Friday 31st January at Brookside Primary school.

We wish the children well and look forward to hearing about their successes. Thank you Mr Ashton and Miss Ledsham for preparing them for the tournament.

## Cross country races

Well done to Ryan Shaw for his brave cross country performance on Saturday despite the cold, wet and muddy conditions. Ryan ran well to come sixth in the Year 4 boys' race. The final race will take place on Saturday 1st February at West Cheshire Athletic track.

## Whole school languages day

On Friday 28th February we will be holding a whole school languages and cultures day. The children will be working in their houses and each teacher is planning a day based on a European country so that the children can develop an understanding of the language and culture of that country. Parents and families are invited to join their children from 1.15pm onwards. The children will also be sharing their experiences during sharing assembly which will begin at 2.30pm that afternoon.

## Friends of Capenhurst

There will be a meeting of the Friends of Capenhurst on Wednesday 22nd January starting straight after school. Miss Ledsham will be running a crèche for the children. We will be discussing past events and future fundraising activities for the remainder of this school year. Please come along and see what we have planned and how you may be able to help.

## Birthday Celebrations

The following children have celebrated a birthday during the holidays or this week:

**Abigail Heeley**

**Will Guest**
